ROUTE BAUSKA - UZVARA - GRENCTĀLE

BAUSKA - UZVARA - CERAUKSTE - GRENCTĀLE

This route offers a diverse journey through historic sites, unique recreation complexes, cultural heritage, active leisure, and local product tastings.

On the way, explore the **restored Renaissance and Mannerism-style Bauska Castle**, visit the **memorial site of Latvian Army General Krišjānis Berķis**, and stop by the **unique Ribbes Windmill**. Enjoy the rural landscapes and traditional flavours at local farms and wineries, such as "**Kugrēnu Vīni**" and "**Kaucis Creek Winery**", or sample sheep milk cheese and ice cream at a **dairy sheep farm**, and discover the diverse uses of blackcurrants at the **organic farm "Lonniņa"**. Art and history lovers will appreciate the **costume exhibition "Mazā Muīža"**, where historical garments unveil the elegance of the Rococo era. Meanwhile, the **poet Vilis Plūdonis' museum "Lejenieki"** offers an intimate look into the life of this Latvian literary classic and the idyllic lifestyle of a typical Zemgale homestead.

Active leisure seekers can get their adrenaline pumping at the **Mūsa Racetrack**, where thrilling rides in folk race cars await. Equally exciting is a **canoe trip down the River Mūsa**, either from the racetrack to Bauska or along the River Mēmele from Brunava-Ērgļi Pedestrian Bridge to Bauska.

For a different perspective of the region, follow the cycling route "**Discover Bauska Region!**".

To enrich your trip, plan a visit in April, when the "Nature Awakens" tourism season opening takes place at the **Recreation Complex "Miķelis"**, in May for the Autocross Championship at the Mūsa Raceland racetrack, or in September for the Poetry Days at V. Plūdonis' Lejenieki.
